Subject: Carry Concealed Weapon Initial License Applications

### APPLICATION:

In order for the Sheriff's Office to process your application for a license, please respond to the items below:

1. Complete the attached **California Department of Justice "Standard Application for License to Carry a Concealed Weapon (CCW)."** Fill out, read, and sign Sections 1 through 5, as directed. Use additional pages if more space is required. Sections 6, 7, and 8 must be completed in the presence of an Internal Affairs Deputy. Review Section 7 and be prepared to answer these questions orally at the time of your interview. Do not write anything in Section 7. Return all pages.
2. Complete the attached **Alameda County Sheriff's Office Concealed Weapon License Application.**
3. A **Letter of Justification** is required stating your reason(s) you wish to carry a concealed weapon.

### THE PROCESS:

The following is a brief explanation of what you can expect during this process. While each request is unique there are some universal requirements imposed by the California Department of Justice and the Sheriff's Office.

Following receipt of the applications and justification letter an investigator will contact you. The investigator will schedule an interview with you to review your justification and complete the DOJ application. You will need to provide proof of the successful completion of a firearms safety course and your firearm registration. In certain cases an employer's letter will be required. A background check will be initiated. You will need to be fingerprinted (Inkless, "Live Scan") and photographed. Fees for the CCW license vary from \$178 to \$244 depending on the type of permit. A psychological evaluation may be required for the permit. A licensed psychologist contracting with Sheriff's Office will conduct the evaluation. The fee for the evaluation is \$150. There will be an additional charge of \$150 for any additional psychological testing that is required. You may be required to provide proof of a \$1 million personal liability insurance policy. You will need to qualify with your weapon at the Sheriff's range facility and pay a \$50 range fee. In addition to providing your own weapon you will be required to supply your own ammunition and "strong hand" shooting holster (shoulder and cross-draw holsters are not allowed on range). You will be notified when to remit fees.

Your request will be evaluated by the Sheriff's chain of command and a final report will be submitted to the Sheriff who will decide whether a permit will be issued and what restrictions will apply. The length of time this process takes varies; six months is not uncommon.

Sincerely,

Charles C. Plummer  
Sheriff-Coroner
